“ I was so sorry to hear of Sue's passing. She and I were friends for at least 70 years. We met in third grade when we were both living in Libertyville, Illinois. We attended grade school, middle school, and high school together, enjoying many hours of fun both inside school and out. We were frequent visitors to each other's homes and enjoyed school, church, and Girl Scout activities together. As years passed and we lived in different states, our times together weren't as frequent as we would have liked, but each time we were together it seemed as if no time had passed since the last visit. Sue was a kind and gentle friend with a beautiful voice and a wonderful personality. I'll definitely miss her and send my thoughts and prayers to Bob and her sister Pat.

“ I have known Sue for almost 40 years, and my admiration of her started the day I met her and Bob. They have always been the very best neighbors a person could imagine. Sue had such a huge impact on my two children growing up, and as they became adults it became even stronger. She always showed an interest in them & what they were doing. Whether it was having a special treat for them at Halloween, gifting them with books-books that were absolutely perfect for their personality, the amazing personalized Christmas baskets she gave us full of all of our favorite things, or most importantly, the visits we all had with her and Bob, she was always so gracious and giving. She, along with Bob, have been such important role models for us, and their impact on all of our lives is immeasurable.

Bob, it was so obvious how much Sue admired and loved you. Please know that you are in our thoughts and prayers. We were so blessed to have Sue be such an important part of our lives.

All our love,

Mike & Linda Kline, Ben, Vanessa, & Ruby, and Laura & Eric
