“ My thoughts and prayers are with you. Your love and devotion to Fred was always apparent when you spoke of him. My sympathy to Robin and Lori. It is always hard to lose a parent. At times like this I always wish that there was a magic wand to make things better. I like to imagine our loved ones as going to a more peaceful and pleasant world, a world where pain and stress do not existKaren Kiser##imported-begin##Karen Kiser##imported-end##
