“ My deepest sympathy to Fred's family. I have known Fred for many years. He was a very loyal and valuable member of my staff at the Department of Public Health. His work ethic and integrity were exceptional and he was always willing to lend a hand and provide assistance and guidance to members of his staff. I had the good fortune to see him and relive old times with him last fall when we had a gathering of Public Health employees. He will be greatly missed. Unfortunately I cannot be at his funeral service but I pray for strength and comfort for his family at this difficult time.

I worked with Fred at Public Health for many years. I will always remember his pipe. Back then you could smoke in the office. He was a great guy with a wonderful sense of humor. Deepest sympathy to the family on your loss.
