Very disappointed that, 45 minutes in, the "webcast" hasn't had any video besides the intro photo and hasn't had any audio. My spirit is with you all though I was unable to view anything.

But now it's your time to finish every crossword puzzle and read every book you've ever wanted to read. “ As a kid growing up I recall visits to Uncle Ken, Aunt Nellie and Freida. Although a lot of time has gone by, I recall how important family was to her. Her focus continued through a very productive life.

Out thoughts are with John & family.

“*Freida was my cousin and she will be missed. Freida and my brother Steve and my sister Jean all worked at Willis Brothers Grocery Store, which was owned by my father Clare Willis and Freida’s father Ken Willis. Freida has had a full life in Grand Ledge and given so much of herself to the community and her family. Rest in peace. Vicki (Willis) Scribner*

“*Freida was my cousin, she was such a lovely woman. I have many good memories of us as kids. Our fathers (were brothers) and loved to fish, so we would have delicious meals with our moms doing the cooking. She was smart and advised so many people with assistance on their finances. Her kids, and grandkids met the world to her. She and John had a long loving marriage, full of adventures. She will be missed so much.*

“ How to begin to describe the impact this beautiful lady has had on my life. She was my third grade teacher as Miss Willis and whenever I have been asked who was my favorite teacher, there was never any hesitation. She invited our entire class to her and John's wedding and I remember my mom taking a friend and I. Then later she became a sponsor of my babies at our church when they were baptized. My parents and Freida and John became good friends and John was my dad's best fishing buddy. They also shared an office space and Freida was my parents and my financial advisor. She was the only person that had the designation of calling me Susie-Q. When I went to the Christmas Eve service at our church, it was shortly before my mother passed, she and John were the ones to comfort me and get me through it. I hope Mom and Dad met you at Heaven's gates. I will miss that beautiful smile and hearing her say "Hello, Susie-Q."
