“ Gary was our best bud and we miss him dearly. Nobody else had such a great sense of humor and we would all laugh ourselves silly from time to time. W. C. Fields was a favorite of his. We've been friends for 40 years and losing Gary is like losing a member of our family. Gary's beloved cat Bo has moved in with us and wrapped himself around our hearts. Have a peaceful journey Gary, and we'll see you on the other side.

*Gary will always be in my heart. He always had a smile on his face, and a joke to share. Heaven will be his home now, and he will be with his cats again, and Betty.*

PS

“ I was very sorry to learn of Gary's passing. I worked with him for several years at the MSP Emergency Management Division. His work ethic, quiet dedication, positive attitude despite his health challenges, and wry sense of humor made him a pleasure to work with. Several of us also enjoyed having lunch with Gary at Kewpee's on a regular basis. This seemed to be his favorite place. He will be missed. Please accept my deepest sympathies.
