Tribute Wall

“ Dear family members all,I am remembering many good times and happy moments that Gene was a part of as I write this morning. We were both Eagle kids and we both went to Portland High. Ardis called yesterday morning with the sad new about Gene. A favorite memory of mine is Gene in high school---always in a good mood. I never heard a cross or angry word from him. Never!More recently, counting in decades, I remember that he and Alvin Hazen came to my dad's funeral at Holihan-Atkin. True to an ancient Moyer tradition, they had had a couple of brews. My dad would have been so proud And I think he knew and he was.I believe I can speak for both Ann and Ardis. We send love to you all and hope the good memories linger long and come to mind daily.Trudy Morris (Gertrude Schwab)###imported-begin##Gertrude (Schwab) Morris###imported-end##
