“ *George was my step grandfather for many years, he treated me and my sisters like we were his own grandchildren. He would take me fishing and camping. I had a blast the first time he ever took me fishing I caught a really big cat fish. We had a great time, I was so proud of it he told me that I could keep it to show all of my friends in the part. So I did and then we had let it go a couple hours later so it wouldn't die. We will love and miss you grandpa. YOur loving granddaughter Nicole.*
