“ Ohh momma how I miss you so much words cannot describe. I love you sooo much and I'm so glad I told you everyday(multiple times 😊) you were my best friend, my rock the one person I could run to. And tell anything. Yes we argued but thank God they didn't last long. You were always there for me and I still don't know what I'm going to do without you. Doesn't seem like it's been a week already. I'm happy your home in heaven with grandma, grandpa, aunt Jackie and aunt Sharon, without any pain and sickness but how I wish you were still here with me. I'll love you forever mommy
