“ *Bettie, Cassie and Vince, What a fantastic woman this world has just lost! I loved your mom and grandma and feel so bad that she is gone from this life, but know she is in a better place now. Every time I saw her, she had a sparkle in her eye that just made you feel important to her. I will treasure all my memories I have of her. There was never a bad one, ever. Keep all your good memories of her close to your heart and hopefully, they will get you through this hard time. My thoughts and prayers are with you and all of your family. I wish I could be there in person with you, but know I am definitely there with you in spirit.##imported-begin##Betty Plough##imported-end##*
