“ *Gordon Rueckert
Gordon was my brother-in-law. The thing I remember most about him is his dedication to my sister. He rode his bike to the Grand Ledge Tile Factory until it closed. He spent the last 22 years as a janitor at the high school. I remember my sister telling about him coming home from work and going right to the garden. I know he wanted to donate money to St Jude's when he passed. I don't know if he was able to do that, but I am going to donate in his and my sister's memory.*

“ *I worked with Goddie at Grand Ledge High School. He always had a smile on his face . We were lucky enough to work back then when employees were like family.*
