“ I send my condolences to the Wittmann family from Kansas and knew Greg since around the very late 1960's and 1970.He was in the Lansing area when I was going to college at MSU and even after I moved and ended up in the Kansas City area we kept it touch.For awhile I delivered vehicles throughout the country and visited Greg and Linda's place in Grand Ledge.He will be missed and sending Peace and blessings to all in the family and beyond.

“ Greg was in the prime of his life as a devoted husband to Linda, grandfather and father-in-law who was well loved by his family and respected by those were afar! I always felt and was so moved that I could call Greg with a family issue and he would respond immediately and he did! From what I knew and experienced with Greg, he was dependable and had a very sensitive spirit that went beyond his feelings to doing the right thing! I am so saddened to hear of your loss Linda and always looked to the two of you as a prime example of love and overcoming of many life's heartaches and tragedies! You built a sound marriage of 40 years and a family with so much to be proud of! God had blessed you both and “brought forth beauty from ashes” as the Bible states, and He will do it again with the loss of your beloved husband because of the strong loving spirit that is in you! My heart's condolences to all and prayers to follow! Jeanne Wittmann
