“ Uncle Howard was one of my favorites. He was the one to tease his nieces and nephew. We always looked forward to go to Grandmas and see his hot street car. It was a green GTO (if my memory is correct). He would take us for a ride and go so fast. Probably fast for us. He spent alot of time keeping her clean and shiny. Very proud of it. Surprised Grandma let him purchase it but since it was his own money she did agreed. Bet she spent alot of sleepless nights. Great sense of humor and always fun to be around. Truly will be missed.

“ I have many memories of Howard. As my brother-in-law he was funny, caring, and supportive with a gift for telling stories. It saddens me to learn of his passing as the last surviving child of Charlie and Esther Medlock. My sympathy goes out to all who knew and loved him.
