“ I really enjoyed my visits with Aunt Irene and how she always made me laugh. I especially relished hearing some of her childhood stories, learning more about our family, and memories and my grandfather in particular. I always loved her sense of humor, (she could dish it and take it!) and her strong spirit. May she rest in peace and my thoughts and prayers to her immediate family.##imported-begin##Jennifer Edsall##imported-end##

“ Carol and Karen, I am so sorry for your loss. I could not come because of other commitments. I had my grandchildren from Fl. and their father was coming to pick them up. I remember all the family outings and all the fun we used to have. You are all in my thoughts.
