“ *Debby I am so sorry to hear of your Mom's passing she was such a good friend to my Mom (Marguerite Burrow) back in the day of Grand Pharmacy counter & Mickey's & A & W. She was very special and loved by many. I was just wondering about her last week because I had lost track of her so sorry I wasn't able to find her to have another visit.
She will truly be missed.
Hugs & prayers to you & your sisters & family.
God Bless you all!!

“ My husband and I met Jacque at Mike's Restaurant. She was there early in the morning when we stopped for breakfast. We had many wonderful conversations and would often talk about crocheting [a hobby of mine too] and many other fun topics. My husband affectionately called her a "Live Wire" to which she would heartily laugh.

One day she sat at our table to chat while waiting for her bus. This was the day she mentioned she had graduated from Grand Ledge. I remember saying...Oh my gosh!! I did too, in 1960. At this point we reminisced about so much; what fun we had.

We are so sad to hear of her passing. She will be missed by so many, we are among them. She was a beautiful lady.

My heart goes out to the family. She will be missed. Jacque has been a neighbor and a wonderful friend.. I could always go to her in my ups and downs. I enjoyed our outings taking different ways home to see the changes. Our hugs and love yous. Late night calls if we couldn't sleep. And the laughter. Many memories. I was blessed to have her in my life. She loved her family.
