“ When I was a kid, my step dad (Jack Newman) used to take me to Jim's A & W when he would deliver food to him. A root beer and a smile were always waiting. When Jim came to my parents anniversary party a few years ago, he still had that great smile and twinkle in his eyes that I remember from 40 years ago. Rest in peace Jim. Annette Fetting

“ Grandpa was a man admired by all. When he walked into a room his smile lit up the place. His laugh made you laugh and some times we laughed so hard tear would roll down our cheeks and our guts would ache! I have so many happy memories of him and I will always cherish them. I can only hope to be as great as he was!
Love ya gpa!!

One of my favorite memories of Uncle Jim was watching him dance with my mom and Aunt Orcelia. The smiles and laughter effected everyone around them. I also remember when I was 15 and in the hospital with a broken he came into my room and said well kiddo you ready to go dancing. He was a great uncle and will be missed by many.
