“ Whenever my kids or I would see Jim he always had a smile and a hug for us. Recently he said how much he loved Deb and was thankful to have her. Jim was a good friend and had a huge heart. He is greatly missed every day.. praying for Deb and their family!

“ When it was said that uncle Jim would always be there for friends and family when they had a car problem... more than once for me. Thank you for being there for me and considering me family. Your heart was golden.

“ I remember when he drove his motorcycle thru my Mom and Pops garage door showing off for the neighbor girl. And his pet racoon. He was a great guy!

“ Uncle Jim would break a silence with a bad one liner or joke I couldn't help but laugh at, totally out of the blue. Him and Aunt Deb did everything they could to embarrass me in public as a teenager, especially if I stopped by the shop! I couldn't help but be amused. Uncle Jim's laugh is something I'll never forget. My heart is with you all.

“ *Wow! Very sorry that he has left us. Always a friendly hello, first came across his path in 74 when I first came to the ledge area. Never built a friendship but could always wave say high how ya doing.*
