“ Jerry, Kim, Craig and Family,

There are no words that explain how saddened I was to hear of Jeans passing. Growing up next door, Craig and I were like brothers and Jean like a second Mother. I will always remember the vacations our family took together to Florida, Higgins Lake , and Cedar Point when we were kids, the way she was always smiling and the cookies she baked at Christmas.

My thoughts and prayers are with you and your family

“ Jerry and family,

When I think your beloved Jean three things come to mind: her absolutely joyful laughter, her kindness and her decency. There really aren't many people who can meet the calibre of character of your wife, Mother and my dear loving friend.

My happiest memories will always be of time spent with Jean laughing, eating popped corn and dark chocolate for our AAA lunch, while we kicked around suggestions to resolve the problems of the world. Jean made a big imprint on my life for which I will be forever grateful. I adored her.

Jean's legacy will always be how she made others feel in her company, welcomed and loved. There is no greater measure of a life than to be well lived, loving and loved. Her life measures among the best. Jean will always be remembered and missed.

The universe has welcomed her as the brightest constellation shining on us all forever.

Jerry, Kim & Tim, Craig & Jodi,

Words cannot express the extreme sense of loss that all of us who knew and loved this incredible woman are feeling. Heaven is truly richer by having her in it.

Knowing her for over 35 years

and sharing so many good times together, she left an indelible mark on my life. No one could ask for a better or more loyal friend. Jean was always at the ready to lend a helping hand or share the bounty from her beautiful garden.

She always had a smile on her face and spoke kindly about everyone. God called her home way too soon and we all will miss her dearly. May He wrap his loving arms around you and give you strength and peace in this difficult time.

I worked with Jean at AAA. Her beautiful smile and great attitude made her the " special " person I will always remember. She was the best " co- worker" ever. Always willing to help everyone. Please know my thoughts and prayers are being sent to her family. She will be a " special " angel, of that I am sure.
