“ Uncle Jeff was a fun. I remember him cooking frog leg soup. He always tried unusual things and shared them with us. I remember how excited he was furthering his education and going to Olivet College. It was nice to share the many discussions we had together. It is hard to believe he is gone. Uncle Jeff was a special person to me.

“ My love, my life. Jeff loved his family and they loved him. Without him I would not have found the Lord. He knew that is what I needed and what would hold our marriage together; it did for 36 years! He will be surely missed but our family knows that we all will be together again with the Lord. Thank you, honey.
