“ So sorry to hear about your recent loss of both Jeff and Cassandra. I had only met Jeff briefly last fall while he was going through a tough time, but the one thing that stands out to me was that no matter how bad things got for him, his primary concern was always with how his daughters were doing. Jeff was a father who loved his children dearly, which is the kind of man who will always be missed.##imported-begin##Dave Marshall##imported-end##
