“ I worked with Carol and John way back when. When John asked Carol for a date she hesitated. When she asked me what I thought, I told her he was a kind and very nice guy and pretty good looking too! So here we are 42 years later ❤️. I'm so glad Carol said yes. You are both pretty special in my heart. God Bless you.
Love, Pete

“ John and I were friends when attending Sexton High School. We were both in the band. We reconnected when working in the Department of Revenue (Treasury). As all too often happens, we lost contact when our careers took us in different directions. I am very sorry to hear of his passing. John was a great guy. I am sure he will be missed. Dave Hudnut

“ I always enjoyed Johns' sense of humor and his outlook on life. He was a crafty euchre player and especially enjoyed beating people who underestimated his slow deliberate manner. Not to worry Carol, John is resting comfortably in Gods arms and will be patiently waiting for those of us who someday will follow. I always appreciated how John enjoyed the simple pleasures of life. Socializing with friends, respectful conversation with wry humor sprinkled in and of course a cold Budwieser. May God Bless

“ *I am so sorry to hear of John's passing. We worked together over 50 years ago in the Department of Revenue (later named the Department of Treasury.) He was a good guy back then and I am sure he remained that way. May God bring healing to his family. I am sure John is enjoying Heaven and will be there to greet us when our time to join him comes. May God bless his wife, children and all of his grandchildren. Joan Doyle Bailey*
