“ Joey, you and my daughter could keep us parents on our toes, but it took along time for us to realize that you too had something special, after 4.5 years of being together you too found that your friendship would be enough. You had the most innocent eyes that even when I was mad at you at that moment, you just looked at me with those eyes and it was over. I am truly heartbroken for your parents and Rocky. Your love for them was apparent as you always made it evident how much they all meant to you. My little girl will move forward but there is truly a hole in her heart that will always be there. Prayers for comfort and peace for your family during this time.

“ Joey - a truely great friend to our son Jesse and so many more - always such a polite young man - we could see how much you meant to Jesse and others and will continue to do so. I see your beautiful smile when I think about you - too much life untouched - just so unfair. Mark and I send our deepest condolences to Joey's family and friends - praying somehow all can make it through a day.
