“ *Julie,
I just saw the notice about your mom and wanted to express my condolences. I remember how welcoming and kind she always was when I visited your home. It doesn't matter how long we have had our parents or the circumstances, it is still difficult to lose someone we love. I am sorry that we lost touch and would love a chance to catch up. Please contact me at kathrynksanchez@gmail.com if you'd like to connect. I wish you and your family God's strength, peace and comfort. In sympathy.*
