“ Dear Aunt Chuckie & Mama, You both have been wonderful and supportive daughters for Grandma Kay. Two awesome role models on how to respectfully treat your parents. I love you both just as I loved my Grandma & Papa. They are both together now in heaven, having a real party. Now what is left is our memories and love for one another. Family is all we have and I for one am very blessed with the family God has given me through you all. I love you, Christa (Brittany, Mikhayla, Jordan, & Brayde also send their love and prayers). ##imported-begin##Christa Rodriguez##imported-end##

“ DePue-Yeomans Family: Aunt Kay was an exceptional woman. When I think of her I always smile she had such a sense of humor. My Aunt Kay had such a positive influence on my life. She taught me and gave me the gift of God in my life. For that I will always be grateful. I know that she is at peace and with Uncle Chuck looking down at us and smiling. We are very blessed to have her in our lives. Hugs and kisses to all my family in Michigan. Kelle in Texas ##imported-begin##Kelle Yeomans-Kennemer##imported-end##
