“ Kathy was a gift from God to my family. She cared for my son, Benjamin, most of his elementary years in Adventure Club. She purposed time to talk with Ben and play games with him when our family was facing a lot of difficulty. She was there when he needed someone most. Kathy was also so kind to me and my husband, and always expressed genuine care for our well being. She made a point to attend our son's graduation party this year!! Our family will treasure Kathy in our hearts forever. My deepest condolences to the entire family. She shared pictures with me and talked about all of you. You brought her so much joy and love. I am confident that she is with the Lord, and I have thanked Him for her many times. Kathy will be greatly missed.

“ *Kathy is my 2nd cousin but she was like a big sister I remember she always kept in touch and she was always a tender loving selfless beautiful soul. It was an honor to eat put with her and Uncle Bob before they left back for Michigan She loved the Lord, she always spoke of the love of God in her cards and her words and speech was always sincere. She thought of me on my birthday. We kept in touch and our relationship was special. She was and will always be in my heart. So thankful God put her in my life. I love you Kathy and will miss our correspondence. Say hello to Aunt Elsie for me God comfort the family 🙏❤️*

“ Something I could always count on after making a post about my family on social media was Kathy making a kind & sweet comment. So much so, I counted on it and couldn't wait to see what she would say. I loved if Kathy was around when visiting with Ashley & Brian cause she had such a light and energy about her that would fill a room you couldn't help but be drawn to her. Her passing has been such a shock and the world will be a little more dim without her but the impact she left on everyone who had the fortune of knowing her, no matter how briefly, will live on forever.

“ I met Kathy through her daughter Ashley and what will always stand out to me is her smile. ❤️ She made you feel welcomed and loved even before she knew you well and that meant a lot to me. She was always ready with a hug each time I saw her. Our thoughts and prayers are with all of her family. We love you!

“ Ms. Kathy was a wonderful part of my children's younger years! We all adored having her as part of our after-school childcare family! Even as young adults, Kathy would always ask about them and offer hugs when we saw her! The world was a better place with Kathy and she will be dearly missed.
