“ I regret I was not able to attend the service due to the flu. My love and sympathies to Stuart, Mark and Greg on their loss of a beautiful wife and mother. May God provide comfort to them and all of us who grieve her passing. Kay will be in my heart forever and sorely missed. She brought love and caring to all who knew her. She was a classy lady. I knew Kay the majority of my life and she touched it in a special way that few people can. I am blessed that I knew her; she was a very dear friend. There is a special place in heaven for her and she will always be with us. With love, Sandy##imported-begin##Sandra Fox##imported-end##
