“ **BRYAN,**
I know it is hard to loose a family member at anytime, even if it is sudden. I lost mymom, who was also born on August 1, and my older brother this year, so my heart goes out to you. I wish that I could be with you at this time, but I am away in Wyoming. Take care of yourself and talk about memories as much as you can. This really helps you get through. I don't think I ever met your dad, but if he was anything like you, then he was a great and loving father and helpful member of the community. God Bless you always.

“ To Joan and all of Keith's family, you have all been in my prayers since I heard about Keith's passing. I am truly sorry for your loss. Keith was so incredibly warm and I always enjoyed visiting with him when I went to see my dad at work. I was fortunate to see you both at my uncle's funeral in October of 2010 and I really enjoyed meeting all of Keith's sisters. May God bless you all and may Keith rest in peace.
