“ John I wish I could give you a great big hug right now. I'm so sorry for your loss. You found yourself a soul-mate with Kelly. She was a great person, and I'll miss her big smile. I very much appreciated her kindness when Ashley and Aaron came down to visit. It was nice to know there was some girl guidance for Ashley. Kelly made Ashley feel very comfortable and they loved talking purses! And sharing pet stories! John you have been a survivor of some great tragedies, you need to keep that strength through this difficult time. I will pray every day for you and your family so God can guide you through these dark days. We love you John and you need to take care of yourself for Jamie and Torie's sake. We will visit soon, I promise.Love, Lisa, Matt, Ashley & Aaron##imported-begin##Lisa Boudreau##imported-end##
