“ My husband, Chad and I recently got to know &quot;Hoppy&quot; at the Schoolz Landing campground where we would sit and visit with him and his wife. He Loved to talk about his family. :) He was so proud of all of you! He and his wife were so nice when we were the &quot;new comers&quot; at the campground and made us feel at home there. He will be missed, you are in our thoughts and prayers.##imported-begin##Chad and Penny Barber##imported-end##
