“ First off we would like to say how sorry we are for your families loss. Kevin was such a great, honest, caring man. Kevin not only has been our mechanic for the past 4 years but also he was our friend. Kevin was the most honest mechanic we have ever known, he was always fair, he was always up front with us and had the most INTEGRITY of any person we have ever met. We just found out today that Kevin had passed and it came as a total shock to us. There will never be a better mechanic, person, friend than Kevin. We will keep all of you in our thoughts and prayers. RIP Kevin, you will be forever missed our friend. Love the DooLittle Family

“ You were one great person. I could always count on you to give me the correct information when it came to automobile repair. I will miss the times when I stopped by the shop to just shoot the breeze.

“ We met Kevin several years ago and were immediately impressed by this man of "integrity". It is so very rare to find a business owner with the honesty and willingness to go that extra mile for the customer. "Integrity" was a definition of his business, but most of all a true definition of the man. We were so blessed to have known and been touched by Kevin. Our hearts and prayers go out to his family. He will be missed beyond words.

“ Kevin was and will always be an honest, humble man of integrity. We met when I stopped by his shop, Integrity Auto, in 2006. From the onset, Kevin was a friend. A fair person just trying to make a go of it in an honest way, Kevin was the American Dream. I am happy to have known him and very saddened by this sudden and unnecessary loss. I will miss you my friend!
