“ *To Kimmers family and friends
I am very saddened for your loss....he was a "one of a kind " man
with many friends and full of love....I saw that in him years ago....he
was so kind to our Daughter Keira and her little son Jayden.....he
was always there when he was needed..his heart was huge!!
We cannot be there today due to being in Florida some health
issues but our hearts and prayers are with you all.....
I know that Kimmer has his ""Angel wings on and he must have a
flannel shirt on....
He will be deeply missed...
May God heal your aching hearts and may you treasure your
memories of such a kind.
I always had some great talks with Kimmer when I sat at Keira's
table with him while Jayden was jumping all over him.....he was so
loved!!!!*

With Sympathy, prayers and love

“ Dear Eric, Marci and family:
Just received the news that Kim was taken home to the Lord. This is sad for all who are left behind especially for you and all those close to Kim. For Kim a whole new life now begins! I remember fondly Kim carrying his niece down the isle for the family wedding. He always impressed me as this gentle giant of a man.
Know you do not face this alone and you do not face it without faith! Kim and your family will be remembered at our liturgies this weekend.
While I cannot be there in person, know you are held in prayer by me and so many others at this most difficult time.

“ Eric and Marci and Family --

I am saddened along with you by the news of your son's death and that you have to bear the burden of grief and pain at this time. Please know that you do not walk this experience alone. I will be praying for you and for Kim in the masses I celebrate with my community here in San Diego. Also, know that the Lord, who shouldered pain and suffering, knows the depths of your hearts and will glide his healing hands over that which needs to be healed within you and in your family. May the same gracious Lord offer Kim the promise of eternal joy and life as Kim is welcomed home.

God bless you with peace!

“ My thoughts and prayers are with all of you 🙏 Kimmer was a remarkable man I feel very blessed to have had the pleasure of knowing. There was something about him that made you feel at ease when you were with him. He had a way with the younger folks in the program they just gravitate towards him and showed them that they could have lots of fun in sobriety and fun is what they had. I will miss you my friend Love you Barb
