“ *My heart aches for your loss. I don't know the source of this prayer but am hoping it gives you comfort. --Linda Marquardt*

*GOD OF MERCY AND COMPASSION,
we beseech you to comfort us at this time of sadness and mourning.
Our beloved one has departed and we do not know why
but we love them and ask that you grant them and us your love and
peace.*

*We thank you for their life and for being part of ours
and though we yearn for them to be amongst us, we know that they
truly have not left us.*

*In our hearts Lord, you know we are hurting and in pain,
but with your guiding hand, we will come to accept their passing.
Dearest Father, grant them eternal rest and peace, and love them
as we did,
keeping them close to your heart until we will all be reunited in your
Kingdom.*

*Watch over us, protect us, heal us, and love us.
This we ask you each and every day.*

Amen.

“ Our deepest sympathy to the entire Clark family. Pete was such a special man and father. Our sons grew up together and have kept that friendship going strong since Kindergarten at Wacousta Elementary. I feel that is due in part to the special times they had in Pete's home. He always welcomed them with open arms. He will be missed.

“ Dear Pat and All,

I think all of us share in the sadness and loss of one of the finest men we will ever know.

It feels inadequate to try to "remember" Pete with words. There are so many to use and they, all totaled together, cannot describe the wonderful man, friend, husband and father Pete was. He was so many things to so many of us

From our days together at St. Michael's, through GLHS and after, Pete was the "constant" in a world that was ever changing and challenging. He always rose above whatever was there

At such a time, I hope that his great love for you, and his undying loyalty and commitment to so many, will help you all find some peace and comfort.

Having Fr. Bob as a friend and "family" will, I am sure, add some additional blessings to you and yours.

You and your family and all the "Clark family" are in our thoughts, warm and funny memories and ongoing prayers for the months to come.

The greatest "Epitaph" that anyone can have is shown by those who knew and loved you and Pete and will be their continued love and support now and always.

“ Many years ago, Pete took my son in after we had a falling out. Pete had long talks with my son about the importance of our relationship and how to forgive and mend the bridge. Pete would call me and let me know that he was safe and that everything would be ok and just give him time. Pete was right, we have a great relationship and it wouldn't be so without Pete's intervention and counsel. Pete I will forever remember your kindness ,your words of inspiration to me and my son. You are truly a gift from God.

“ You were an inspiration to anyone that knew you. You were a role model and a guy we all aspired to be like. You were the most generous guy I have ever known - never asking anything in return. You treated everyone like they were something special and made everyone feel a little better about themselves. You were funny and always had a funny story to tell that made the day a little brighter. You were thoughtful, considerate and polite and lived your life by the golden rule. You were tough and stood up for people and things you believed in and didn't back down. You were an extremely hard worker and lead by example - an example that lives on in your family and Clark Farms. You were creative and encouraged unique solutions to difficult problems. You were the first person to call when things would go bad and seemed to know exactly what to say to make things seem "not so bad after all". You were also the first guy to show up with a beer when things went right. You celebrated other people's accomplishments with great enthusiasm and treated your own incredible accomplishments as if they were "no big deal". You would help anyone, often times making their problems your problem - and then you would fix it. You were a great neighbor, community leader, businessman, entrepreneur and family man. You were and are the face of Eagle and made Eagle a place we are proud to call home.

You were bigger than life.

He graciously said " sure,you can hunt right here.." So I did. The next year I got even more courage and asked if I could deer hunt somewhere.. Expecting him to say no.. But to my surprise he once again graciously said "you sure can.. I could never thank him enough , it has meant the world to me that I have had a safe place to hunt for all theses years... He was always there to help people including all the years he watched over his next door neighbors to the barn, my Grandma and Grandpa. I thank you for that Pete! “ I was just a little kid when I met Pete, my mom was working at Wacousta elementary school and had one of Pete's children in her class that year. From that instance I was a friend of Pete Clark. Later, as I grew up in Wacousta Pete was a mainstay in Wacousta, whether it would be at the General Store as me and my buddies Kurt and Justin would be eating a plate of Nachos Dina had made, or riding my bike up and down Clark Rd riding past his Farm to and from those buddies houses Pete would be outside or maybe in his pick up and without fail no matter what he would take the time to say "hello" or a quick " hey Jon how are ya, good to see ya" and he'd always tell me to "be safe".

For me that's why I love my hometown of Wacousta, because of people like Pete Clark.

To Peter and Jake I have no words guy's I can't imagine your pain you may be going through. My prayers are with you.

Pete and I used to wrestle each other in High School, we became friends and our families became friends. I've always admired Pete, he had such a powerful personality, always doing good for someone. He farmed our family's farm and treated us like family. Pete will be missed by one and all. Our best wishes and prayers go out to his family.

I was saddened by the news of Pete's passing. My condolences to the Clark family. Pete and I shared only one class in high school but we shared in the values of the Wacousta community for a life time. My family offers our prayers to your family with hopes your love will bring healing in your moment of sorrow. Peace be with you.

I sit here in shock. My dad worked for Pete before he passed away, and Pete was a pallbearer at his funeral. Pete also farmed our family land after my grandfather no longer did, and still does to this day. I am so sorry for your loss, and please know that your family is in my thoughts and prayers during this very difficult time. Our community has lost a great man. My condolences.

I think everyone in this community knows at least one Clark family member, and we are mourning with you for the loss of such an amazing man. Many of us would do anything if only we could help ease your pain.
