“ *Dad! Guess what? Mateo wants to be a basketball player because of YOU. There isn't one day that we don't talk about you. Today's discussion was about mowing the yard and how you would have done it.*

I miss you Dad so much.

“ Larry was the definition of a truly nice guy. He was always there for anybody in the park who needed a helping hand, or a pocket of treats for all our doggies. He and Bonnie introduced our park to pickleball. Pickleball? What's pickleball? In those early days we only had 6 or 8 players. Now we have over 60 players and all us are hooked! He biked the park with a smile and hello for everyone. He cannot be replaced. Our hearts are deeply saddened with Larry's sudden passing and he will be missed. Condolences to you Bonnie and your family. You are in our thoughts and prayers.

“ Our sincere condolences to Bonnie and to all of Larry’s family. Larry had the warmest soul of anybody. His obituary is so right on. He was a friend to everyone he met. He made us feel so welcome when we first came to the park in Florida and everyday since. Always a friendly wave and hello when ever he seen you. He will always be a pickleball legend at Manatee Park. Such a great sportsman and enthusiast. We will dearly miss him.

“ Hello:

My name is Vic Torok and I've known Larry since the 70's when I started my first job out of high school at a mom and pop grocery store in Lansing called Mt. Hope Grocery, which was just a few blocks down from E.H. Ward. I worked there for 16 years and got to know Larry and his work cohorts very well. I always enjoyed talking and joking with him! I then moved on to another job and didn't run across Larry again for a number of years until I joined up with my cousins and the "Thirsty Thursday" gang at Huckleberry Creek G.C. in Pewamo. It was great to reconnect with Larry again after all those years, and I looked forward to seeing him and the gang every Thursday. My condolences go out to his entire family. He will be dearly missed, but as we all know, he's in a better place with Our Lord now!

Sincerely,

Vic
