“ I'm sorry to hear of Lee's passing. She was always so kind to me. When my stepfather passed on Christmas Eve 2005, she came over immediately to see my mother. As my mother was completely grief-stricken, Lee saw all the food that my mother had bought and planned to cook for Christmas Day. Lee took everything home and cooked all the food and brought it back on Christmas so that all the family members who were arriving for the funeral had plenty to eat. That is the kindness I remember as Lee Bundt. Prayers for the family.

“ Lee "our adopted church mom " & Husband Bob "Pop" will be forever in our heart's ❤️ ❤️. They both treated us like their children! Took us under their wings at Oscoda Baptist Church. Worried about us when we were ill. Mom Bundt asked me to promise to join the deacons board when she could no longer be on the board. I've kept her promise, as an adopted daughter would, and have been serving the Lord on the deacons board in her memory!💖

“ So sorry to hear about Lee's home-going. She will be missed here and has left an indelible mark on the history of Oscoda Baptist Church. She was the type of church member every Pastor would count as a blessing. She and Bob were strong supporters of God's work in this community. I'm glad I had a decade or more to get to know them both. They both loved the Lord.
