“ You could not ask for a better person than Aunt Linda. Many years ago, she was married to my Uncle Roger. I used to drive over to the bank and see her off and on. She was one of my most favorite people to see in my childhood she always made me feel welcome and always came bringing presents and as a kid that didn't happen often so I cherish every moment that I had with her I only found out she passed through searching her name. We lost contact off and on through the years.

“ I knew Linda for many years. She worked for my dad at the bank and also was a member at the First Congregational Church. We would always share a short conversation and she was a great lady. Rest in Peace and share a conversation with my mom and dad. Condolences to the family. She was one of the good ones.

“ I have known Linda for 50 years. First as a babysitter, then a neighbor, and later as a friend who watched out for my parents, who were still her neighbors. She was always a wonderful person, filled with compassion for others. My condolences to the family and especially for Michael.
