“ I have many memories of Aunt Linda. Babysitting for Dan from the time I was in 6th grade. Dan and I would run his hot wheels track down the stairs and around the living room. Teaching Dan to swim. She taught me to like the Olympics. And as Joyce said " Linda was she that had everything" on our family vacations to Houghton Lake. Watching the incredible moon rising in August. I was the fire master and taught all my younger cousins to build a huge fire even in the rain. The memories of Christmas at her house and the stinky cheese and all of the other cheeses that we all enjoyed that Aunt Carol and Uncle Jim would bring. I know she is at peace and out of pain. You will always be in my memories Aunt Linda.. I love you and you will be forever missed.

“ *I had the pleasure of working with Linda at the State of Michigan. She was superb at her job. She was smart, dedicated, and was guided by doing the right thing. I used her as an example of hard work and dedication after she retired. It was a gift to have gotten to work with her. My deepest sympathies to the family. I cherish her memory.*

“ I have so many memories of Aunt Linda. She was always a part of my life. As a child she teased me about having cowpox from the small pox vaccine but then she was also a child. I remember "spying" on her and her boyfriend and getting being caught . She wasn't happy about that. Then as an adult there were all the Christmas and Thanksgiving dinners at her house.

Some of the best memories were at Houghton Lake when the family would gather for a week. Aunt Linda earned the honorary title of She Who Has Everything. If you needed something or wanted a cookie or pumpkin bread you went to her. Then there was a year we stayed out by the fire to watch the moon come up. Trying to guess the time and location.

Rest in peace Aunt Linda. Tell my mom, dad, and all those nephews. brothers and sister hi. You will be missed. Love Joyce Young
