“ Growing up on Otto Road in Charlotte, our family's little farm was next door to the Peterson's house. I have a vivid memory of your Mom out in her garden tending to her beautiful flowers. always a wave and a smile for my Mom and I when we'd drive by. She had so much love in her heart for all of you "kids". So sorry for your loss.

“ My condolences to Lorraine's family members - her children, grandchildren, great grandchildren, and her brother, Cecil. Lorraine enjoyed visits to Minnesota with her family. My mom, Eunice, and I drove to Michigan to visit a few years ago and spent a couple of days with Lorraine and visited some of her family who lived close by. I was always going to get back out there, but that never quite happened. I did talk with Lorraine on occasion, and she told me how proud she was of her grandchildren. The last time I talked to her, she said I should come out and stay with her because they didn't want her to be alone anymore. Now I know I should have taken that opportunity! I will miss my aunt Lorraine. (Sandy Johnson)
