“ Lynette was my Daughter's teacher, we are so sad to hear of her passing. She was crying when she told me what she heard. She obviously had an impact on her that I didn't even know about. What a wonderful teacher she was. Our thoughts are with your Family!

“ Lynette was such a wonderful “second mom” to Elizabeth. There were many family vacations and outings that Elizabeth was included in over their formative years (Elizabeth and Lauren). Thank you so much for the love and empowerment you shared...it mattered! ❤️

“ I was fortunate enough to teach with Lynette at Hayes for a number of years. She was one of the kindest and friendlies people that I have known. She always had a smile on her face and treated everyone with love. Lynette was an outstanding teacher and cared for her students like they were her own children. May God bring peace and healing to the friends and family of Lynette, a truly special person.

“ I have so many wonderful memories of Lynette from middle and high school. She always welcomed us into her home and it was a second home for many friends of Lauren. Between driving us around in her bonneville to summers at her pool, she created so many great childhood memories.

*My thoughts are with her family at this time.*

“ Jake and Lauren. So sorry to hear about your Mom! Way too young for her to be gone.  
She was a wonderful teacher, and colleague. So caring for the kids in her class I am out of town presently, or you know i would be there. I was proud to call her one of my friends. Always remember the good times!!

“ We met years ago when our children were just littles; I have been fortunate to know her ever since in our roles as moms and teachers. She was a caring teacher, and loving mom who will be missed by many. Rest In Peace, sweet lady. To Lynette’s family, may God comfort your grieving hearts, and may you find peace in the memories you cherish.
