“ Hello to the Weymouth Family and please accept my sympathy to all.

I worked with Mardelle many years ago at Baryames Cleaners. Mardelle was such a humorous and very POSITIVE lady! She happily expressed her Love and Devotion to Ron Weymouth!! Her three (3) children adored their Mom and Dad!!

I know Mardelle is enjoying "THE OTHER SIDE - HEAVEN"!!

PLEASE ACCEPT MY CONDOLENCES TO Mardelles' Husband Ron and her kids and grandkids too!

All My Love,

“ I will always remember Mardelle as a great lady with many talents who was a friend always willing to help solve any problem or concern you may have. She could listen and she could take action when necessary. We had many conversations about Yankee Doodle Days and the Opera House. Even talked about fixing her Grand Father Clock. We will miss you young lady and maybe you could say "Hi" to Betty in your travels?

“ Ron and family, my deepest condolences- I only met Mardelle a few months ago, as her radiation therapist I only spent moments at a time with her but in those moments I got very attached to her fighting spirit and warm heart! I looked forward to seeing her and Ron at each appointment and I didn't even mind them telling everyone in the waiting room about my "love" life ! Mardell-eee, you fought till the end and I find happiness in the thought that you are no longer in pain and since you were a true angel here on earth I'm sure you will be one in heaven too! Love, Lindsey Pung

“ *Dear Ron and family,
It's a sad moment in your lives, try to remember the good times. I'm a P.E.O. sister and when I moved from Oregon to Michigan someone gave me her name. I remember the day I called her and told her that I would like to attend one of the meetings. Well, we talked for over half an hour. She made me feel so welcomed even though I had never met her. That's the kind of person she was, so full of joy as I could hear it in her voice over the phone. When we went to Cottey College by train, we spent many hours just talking and having a good time. It was my privilege to know her, to call her friend and sister.*

“ Mardelle was very special to me. When I came to school from Mulliken Mardelle and 15 other friends took me under their wings from that day we all had a bond of friendship that has lasted even to this day. Mardelles Mom and Dad opened their home to me many nights and felt very welcomed in their home. I loved their dinners and all their food. I will miss her laughter, jokes and small talk most of all her friendship.
