“ *i was saddened to find out Marie had passed. I knew she was in Hospice and had the best intentions to visit and surely wished i had made the effort. It was my pleasure to deliver meals to her as an Eaton County Meals on Wheels volunteer. Her positive attitude, sense of humor and warmth were qualities we all should strive for; I surely will try. I will miss this dear and beautiful woman in my life and hope to see her on the other side. Joy Leonard*

I'm saddened to discover that my old friend from Hayford St where we grew up had passed. I have many wonderful memories of her. I remember when she met Dale and how smitten she was from the moment she met him. She was a beautiful lady and I sure wish we had stayed in touch over the years...Jeanne Ray
