“ My father Tim Murphy was married to “Marge” and she and I kept in touch since his passing.
Timothy Edward Murphy loved her very much and she was kind enough to send a copy of one of his love letters to her.
IF her only living son (or next of kin is able to receive this), I have a personal request for them.
She was a lovely, kind soul am sad to hear of her passing;
although her devout relationship with God would have had her leave us all in peace.
Blessings to her family and I hope that someone will be able to reach out to me at a convenient time.

Very sincerely,
Gaye

This must be for a different Marge. My mom was married for nearly 75 years to my dad, Herbert A Peters.
