“ Sending my prayers and condolences to Mark’s family and friends. I met Mark back at CMU thru his roommate- Steve. Mark was a really nice person and always enjoyed talking with him and honored he was part of my wedding 30 years ago. Even though our paths haven’t crossed since then I would still consider Mark a friend. May he rest in peace.

Way too young to leave you behind.

“ Dear Cub Scout Guy,

*There are so many memories swimming through my head, I'm not sure where to begin.*

*What I know is we had fun together, and I look forward to seeing you again.*

*It may not be on this earthly ground and will likely be many years down the road.*

*But I know one thing – of this I'm sure, you were a big bright light in this world.*

*I'm already gearing up for the stories you'll have and the stories you'll want to retell.*

*The one that stands out the most to me is the one in the Pennsylvania hotel.*

*I'm sure we'll talk about that time when we got to be NASCAR VIPs. And that one Halloween costume. Remind me? Who were you supposed to be?*

*We had some great times when the boys were young, in Wacousta when we lived close.*

*Good times with flag football, basketball, baseball and sharing duties as a coach.*

*I'm sure going to miss swapping tales about fishing and who saw the biggest buck.*

*And listening to loud music with you, especially Thunderstruck.*

*Do you remember all of those DIY projects we helped each other with?*

*I swear you knew every tradesman from plumber to blacksmith.*

*And that one time when I played Elmer Fudd, and the rabbits got the best of us?*

*Maybe they went to live with Santa's reindeer in the basement of your house?*

*On every St. Patrick's Day that is yet to come, you know I'll be*

*thinking of you.*

*I'll be at the bar wearing my green and drinking my beer for two.  
Who knows, maybe this time seven beers will actually be enough.  
I'll even root for the Tigers for you, but the Lions may be tough.*

*I plan to watch Wedding Crashers and Hot Tub Time Machine.  
And spend time just thinking about you and focus on remembering.  
You've put your foot down one last time. And can't crash my  
birthday anymore.*

*I truly hope you can rest in peace, my friend. No one deserves it  
more.*

*Your Friend, Paul. Oh Lord!*
