“ Mike and Seth, When I recieved the news on Aunt Marlene it was so hard. Aunt Marlene ment so much to me over the years. She may not have been my Aunt by blood but she was my Aunt in every other way in the world. I have a lot of wonderful memories of her as a child. She was always there whenever you needed a person to vent to or to gain advice from, even though you may not want to hear the advice she gave you in the end. There were probably a lot of times in my teenage years where she probably didn't think that I was listening to her but I was. I love her so very much and she touched my life in a way that I cannot even begin to tell you. I was truely blessed by having her in my life. Aunt Marlene, I will see you again someday when the good lord calls me home. See you then and we love you. Uncle Mike and Seth, I will always be here if you need someone to talk to. Shannon has the number down here. I am so sorry for your loss of such a wonderful and loving person like Marlene.##imported-begin##Tricia Delaney Raper##imported-end##
