“ *Vanessia & Family:I am saddened by your loss, but touched by your faith in our Lord and his Heaven above. It is truly the only thing that comforts us in times such as these; the knowing that your father is at peace and with the Lord. What a glorious place he is experiencing now. One that we too some day will get to see. The loss we feel and the longing we endure for our loved ones is not lessened by our faith in a greater place, but the comfort we gain from that helps us to better cope. God bless you all in these months ahead, while this change in your lives will be a saddened part of each and every day for a while.RobertaHeaven Scent Candle & Soap Supply##imported-begin##Roberta Byrd##imported-end##*
