“ *My fondest memories of Mary were when I was a young girl and she was a teenager. I remember looking up to her because she was so beautiful. She was always smiling, laughing, and enjoying life. She was so charismatic. All the boys wanted to date her and all the girls were jealous. I remember seeing Lisa as a teenager and noticing how much she reminded me of her mom with her exceptional beauty, infectious smile and zest for life. I remember how she interacted so lovingly with Joyce, who was not only her sister but also one of her best friends. My sympathy is extended to the whole family. I know she will be missed.##imported-begin##Jerri Anderson##imported-end##*
