“ Saddens me that this cancer was just found last month and within the next month she is gone. Just don't seem fair. I do know she was feeling lonely but she won't be lonely anymore as she is in heaven with her mom, dad, brother and grandparents. The photo below was the last time we all got together at Fallsburg park. Good times. We were to do another but it never happened cause life happened. My Aunt Mary was an amazing cook, she always had such good recipies. I have many of them as I loved everything she always made for the holidays and get togethers. The last thing I had, that she made, was her carrot cake. She brought that to the park and it was the best I've ever had. I'd love that recipe as that is one I didn't get from her. She always was the one taking care of and doing for others. Loved her dogs and she even took one of my dads dogs when he passed as he wanted them with family. I took Angelbelle and she took CoCo. She was a kind and beautiful soul and she will be missed. Wish she have had more time. I do think looking at pictures of her , that my sister Kristene and I both resemble her at times in our life. Aunt Mary you were loved by many and I am so sorry the affects of cancer took you. Say "HI" and to my dad, Grandma Stay, Grandpa Stay and Great Grandma Fisher up there in heaven for me and big hugs and love to you all. Love you and RIP. You will forever be in my memories. Xoxo
