“ *So very sorry for your loss!!! Mary was a wonderful woman! I did not know of Mary's passing before this date. If I had known, I would have been at the funeral home and funeral. I loved being the babysitter for many years!!! I always had so much fun helping, playing and being with all of you! It was a time in my life that I will always treasure. I think it was the first time I ever had praise in my life! May God bless you all and I hope I get to see you sometime soon. Love, Carol Moffitt Idalski*

“ *I am very sorry for your loss. I have fond memories of time spent at the Lehman farm during my teenage years. Mrs. Lehman was always welcoming and kind - and graciously tolerated a lot of teenage noise and nonsense. God Bless your family.*

“ A marveous influence on many now grown 4-H children-----a special, caring neighbor in our community. A memory of what love and patience and the future should be about.

“ Sweet, gentle, loving Mary with a great sense of humor and always giving to others we will miss you dearly. You handled your health issue with graciousness, courage and strength- a real role model for all. Our world is a little less brighter and gentle with your passing to Eternal Life but you have completed your earth's journey and are resting with the Lord. Our sympathy to your loving family who will find strength in each other and in their faith. God Bless All.

“ *My Great Grandma Mary was one of the funnest, most outgoing women, I have ever met. Every time I went over to her house I would have so much fun that I wouldn't want to leave. I have great memories of Great Grandma and I will never forget her because they fill me with joy.*

“ Dear Lehman family, No words can ease the pain of loss you are feeling right now. Just know you all are in my prayers. I will always remember Mary as a loving, caring and full of life lady. I am so glad I was able to know her and have her do Heath's graduation pictures. She was a wonderful person. You are all in my prayers.

“ Our condolences to the entire family. I had the opportunity to meet Ms. Lehman several years ago when my brother, Tim married Cindy and then I only saw her a few times thereafter before I relocated to Kentucky. I can't say I knew her well at all but the few times I was in her home or around her she was always so gracious and friendly. I know you are all a close family and have many good memories to hold onto. Hugs to all of you. You are all in our thoughts and prayers.

I hope all your wonderful memories of your wife, mom and grandma, wrap themselves around you and help comfort you.

All my love,
