“*Mary was my first mentor in what turned out to be a long office career. She taught me how to be a 'real' secretary and then how to relax by the pool when the work was done. I will always remember with great fondness the times I spent with Mary and the entire Waldo/Smith family. You will all be in my thoughts and prayers.*”

“*May God hold our dear friend, Mary in his arms and whisper in her ear "welcome home". It is with the fondest of memories that we think of Mary - she was the dearest, sweetest, kindest and most generous real estate associate with Hubbell Realty - She always looked at the best in others with a smile and kind words. She brought joy to her clients and those who had the fortune to know her.*”
