“ Mike was a great friend to me, we shot both of our first deer the same day together and for 15 years was closer to me than my own brother. He was a fantastic outdoors man and a good man all the way around. I will miss him terribly. Rest in peace mike.

“ I spent most of my childhood hanging out with Mike. We would shoot the b.b. gun, play a lot of basketball and just hang out. He was good and kind heated and a good friend. We had a lot of fun building forts and hiking through the corn fields. My heart goes out to each family member as I know this is painful. May God give you strength and comfort in your grief. Thank you Mike for being such a great friend. May you rest in the light of Christ now and find peace at last.
