“ *When I was growing up, Doris was always so good to me, she let me help her out at Forte Bernie for years and gave me my first Full time job when I turned 18. I will always remember her kindness and sense of humor. She introduced me to sausage biscuits and gravey, I still think about her every time I have them. Doris also got me to go to church with her and to learn about our lord and savior, which I am most grateful for. May she Rest in Heaven and may the lord comfort her family.*
