Tribute Wall

“ Nancy and I shared a lot of fun times together. We had an awful lot in common. Our sobriety days were 2 days apart, our birthdays were days apart, and our weddings were the day after each other. These were the early days when we were still single and had a lot of time. We still kept in contact over the years and were always ready for a cup of coffee and chat. Nancy always had a ready smile and a heart of gold. I will miss her.##imported-begin##Brenda Neirink##imported-end##
